HOW YOU CAN BE THE DIFFERENCE:

For more than 50 years HVCH has cared for our community. Our medical staff and employees provide outstanding care to all of our patients regardless of their ability to pay, providing nearly \$5 million of uncompensated services annually to patients who desperately need our services. Philanthropy has always played a crucial role in the success of HVCH. From building expansions to significant medical advancements, we could not provide the outstanding services that we perform here at HVCH without the support of our generous donors.

SERVICES YOUR PARTNERSHIP WILL FUND:

- Capital
- Patient Amenities
- Patient Services
- HVCH Endowment
- Greatest Need

RECOGNITION AND EXPOSURE:

- Depending on the level you wish to support, you or your business may receive partnership recognition, complimentary golf entries and special seating at the annual HVCH Foundation Auction & Golf Outing.
- Individuals and organizations who give \$10,000 or more during a calendar year qualify for membership in special giving circles. These members become a part of something much larger than the gifts they have given and have the opportunity to experience a behind-the-scenes look at how HVCH is caring for our patients and the community. Giving at this level and above is an excellent way to challenge others through a matching gift.
- No matter the size of your gift, your dollars will make a transformational difference in the lives of many.

THANK YOU FOR SUPPORTING HVCH!

If you would like your donation to go to a specific cause, please choose one selection from the list below. Any undesignated support will benefit the area of greatest need.

Capital: Your investment in the future of HVCH will allow us to continue moving forward through facility and equipment renovations and upgrades. Gifts to this fund will advance the building needs of our organization, paving the way for continued growth and expansion of your community hospital.

Patient Amenities: This may include comfort items such as bears, toys, games and activities for children of younger age, or may include blankets, books, and other items to enhance patient experience. These simple things can make a big difference in soothing a child or anxious patient.

Patient Services: Your contributions allow HVCH to continue developing service lines such as behavioral health, cardiopulmonary, physical therapy, surgical, and to provide more effective treatments and care for our community and patients through continuing education and equipment.

HVCH Endowment: These contributions are held in perpetuity with earnings only being used to fund programs or services and capital improvements at Hocking Valley Community Hospital. A minimum donation of \$25,000 is required for an endowment.

Greatest Need: The Hocking Valley Community Hospital Foundation Board and staff in consultation with the HVCH leadership will utilize these funds to benefit the area of most need.
